Brand overview

Who Techware is and what the brand stands for.

BRAND NAME

Techware

Written as "Techware" in sentences. The lowercase "techware." with the green full stop appears only in the logo.

WHAT WE DO

Techware is a Nigerian startup selling tech hardware and accessories: laptops from brands such as Dell, Lenovo and HP across a range of Nigerian price points, plus keyboards, mice, phone chargers, phone cases, earbuds and other tech accessories.

MARKET

Nigeria. Pricing, language and imagery should feel local and accessible.

BRAND PERSONALITY (PROPOSED)

Modern

Clean, minimal, current.

Trustworthy

Genuine products, honest prices.

Accessible

Tech for everyone, not just experts.

Logo

The primary logo pairs the t monogram icon with the lowercase wordmark. The green full stop is the signature detail.

Usage rules

- Keep clear space around the logo equal to the width of the green dot, times four.
- Minimum size: icon 24 px (digital), full logo 120 px wide. Below that, use the icon only.
- Use the icon alone for social profile pictures, favicons and product stickers.
- Do not stretch, rotate, recolor or add shadows or outlines to the logo.
- Do not place the full-color logo on busy photos. Use a white or navy panel behind it.

Color palette

Blue leads, navy grounds, green accents. Use blue and white for most surfaces and keep green for small highlights.
